Research Center

Report

2012-2017

The College administration continuously motivates to staff and students for initiating research activities. The Research Committee is formed to promote and monitor the research activity. The Research Committee promotes to faculty members to participate in different workshops, seminars and conferences and organizes different college level workshops, lecture series on research methodology for P.G. students to train them in conducting scientific research. Gandhi Studies center consistently organizes the various research activities for the students and faculty members such as book reviews on different books and writing research paper writing. Students also have project work in the last semester which exposes them to the latest knowledge applications in their field. The college also invites eminent personalities from various branches of subjects for workshops and lectures. Our undergraduate students also have project work according to the curriculum which helps them to get basic applied research knowledge. The college also motivates the students to prepare wall-papers, posters, exhibits to transfer the knowledge on recent issues. College subscribes to free subject journals, e-journals and other online resources through library. College also arranges industrial visits & study tours to impart subject knowledge to the students. College has Communication Skills and Soft Skill development program for the students which improves their communicative abilities. There is a no separate incubation center but college provides e-resources through e-library & Internet connected computers and concerned teachers guide students for research activities and completing their

project works. Courses like - Free computer training course, Technology in Banking, Tally and M.B.A. CET are conducted at college level.

The IQAC cell conducted workshops on 'Research Methodology' on 15 Apr 2013 and 'Research Paper writing' on 28 Nov 2015. There is university recognized Hindi research center in the college through which students of Hindi get the opportunity complete their research work. This center conducts different activities like staff research paper review, plagiarism, book review, paper reading, paper presentations and most important to provide basic facilities to research scholars. Computer, printer, LCD, Language lab, Data analysis on computer, Separate PG Library, Various Journals, and Magazines is provided by the college. As a result of this 10 faculty members have registered for Ph.D. and UGC sponsored two major and one minor research projects are undertaken and submitted to UGC. Two Research awards and five other awards are received by our faculty members.
