- 1) Student will understand the meaning and scope of the micro economics.
- 2) They will come to know the concept of Demand and Supply
- 3) Students will understand various market structure like perfect competition and monopoly

ECO-102- Indian Economy

- 1) Student will understand the structure of Indian Economy.
- 2) Understanding the problems in Indian Economy and the solutions on the same.
- 3) Understanding the objectives, structure, achievements and failures of five year plan.

ECO-102- Indian Economy ECO-103- Prize Theory

- 1) Understanding the different market equilibrium of firm and industry.
- 2) Students will understand the factor finding.
- 3) Understanding the analysis of cost and revenue.

ECO-104- Money, Banking and Finance

- 1) Understanding the meaning and function of money, banking structure in India.
- 2) Students will come to know new concepts in the banking like ATM and E-banking.
- 3) Understanding the monetary policy of RBI.

B.A. Second Year ECO-105- Macro Economics

- 1) Students will be aware of basic theories in Macro Economics.
- 2) Student will understand the various concept of National income and also know about the majoring the national income.
- 3) Students understand the theory of trade cycle.

ECO-106- Economics of Development

- 1) Students will know about the theories of development.
- 2) Student will understand the various concept of growth model.
- 3) Students understand the role of agriculture industry and service sector in economic development

ECO-107- Public Finance

- 1) Students will know about the various concepts in public finance.
- 2) Student will understand the concept of public revenue and public expenditure.
- 3) Students understand the budget functioning and types of budget.

ECO-108- Statistical Methods

- 1) Students will know about the meaning, nature and scope of statistical methods.
- 2) Student will be able to solve various problems Mean, Mode and Medium.
- 3) Students will be able to understand and solve the problems in Index Number.

B. A. Third Year ECO-109- International Economics

- 2) Students will understand the theories of trade.
- 3) Student will understand the importance of trade and gains from trade.
- 4) Students understand the role of balance of payment in International Economics.

ECO-110- Agricultural Economics

- 1) Students will know the Importance of Agricultural Economics.
- 2) Student will understand the various Technology Agricultural.
- 3) Students understand the role of agriculture in Economics Development since Fifty Year.

ECO-111- History of Economic Thought

- 1) Students will know the Mercantilism and Physiocracy.
- 2) Student will understand the various Theory of Classical Thinkers.
- 3) Students understand the Thought of Marshal.

ECO-112- Project Work

- 1) Students will know the Project Work.
- 2) Student will understand the various Concept in Project Work.
- 3) Students understand who to Write Project Work.

M.A. ECONOMICS Semester-I

1) ECO- 401-Micro Economics – I

- 1) Students will know about the Theory of Consumer Behaviour, Economics of Uncertainty.
- 2) Students understand the Theory of Production.
- 3) Student will understand the Theory of Costs concept.

2) ECO- 402- Macro Economics –I

- 1) Student will understand the various concept of National Income Accounting
- 2) Students understand the Theory Supply of Money.
- 3) Student will be able to solve various problems Mean, Mode and Medium.

ECO-423- Demography

- 1) Students will be able to understand Student will understand
- 2) Students understand Demographic Methods and Trends

3) Student will understand the Measurement and Planning of Population in India

ECO-424- Agricultural Economics

- 1) Students will be able to understand Economics of Production and Resource Use
- 2) Students understand Agricultural Prices and Rural Finance
- 3) Student will understand the Agricultural Growth in India. Semester-II

ECO- 403- Micro Economics – II

- 1) Students will know about the Price and output determination in different markets.
- 2) Students understand the Theory of Production.
- 3) Student will understand the Theory of Costs concept.

ECO- 404- Macro Economics – II

- 1) Students will know about Aggregate Supply and Demand.
- 2) Students understand the Demand for Money.
- 3) Student will understand the Growth Analysis.

ECO- 430- Insurance Economics

- 1) Students will know about Principles of Insurance.
- 2) Students understand the Risk & Insurance.
- 3) Student will understand Regulation of Insurance Business in India.

ECO- 431- History of Economics Thought

- 1) Students will know about Early Indian Economic Thoughts.
- 2) Students understand the Economic Thoughts of M.K.Gandhi & Pt.J.Nehru.
- 3) Student will understand the Modern Economic Ideas. Semester: III

ECO- 501 Indian Economic Policy

- 1) Students will know about the National Income and Human Development in India.
- 2) Students understand the Problems of the Indian Economy.
- 3) Student will understand India's New Economic Policy Since 1991.

ECO- 502 Public Economics

- 1) Students will know about the Need for Government Sector.
- 2) Students understand the Theory of Public Goods.
- 3) Student will understand Taxation, Public Expenditure and Public Debt.

ECO- 522 Banking

- 1) Students will know about Reserve Bank of India (RBI).
- 2) Students understand the Financial System in India.
- 3) Student will understand Non Bank Financial Intermediaries (NBFIs).

ECO- 524 Growth Economics

- 1) Students will know about Theories of Economic Growth and Development.
- 2) Students understand the Modern Theories of Economic Growth.
- 3) Student will understand the Dualistic theories. Semester: IV

ECO- 503 Growth Economics

- 1) Students will know about Planning in India.
- 2) Students understand The Agricultural Sector.
- 3) Student will understand The Industrial Sectors.

ECO- 504 Indian Public Finance

- 1) Students will know about Fiscal Federalism.
- 2) Students understand The Fiscal Responsibility and Fiscal Policy.

3) Student will understand The Analysis of Union Budget.

ECO– 527 Financial Markets

- 1) Students will know about Indian Money Market.
- 2) Students understand The Indian Capital Market.
- 3) Student will understand The Financial Sector Reforms in India.

ECO – 529 Development Economics

- 1) Students will know about the Concepts and Measures of growth and Development.
- 2) Students understand the Sectoral aspects of Economic Development.
- 3) Student will understand The Contemporary problems of Development.

ECO – 541: Introduction to broadly applicable Mathematical and Statistical Methods. (Service Course)

- 1) Students will know about the Concepts of statistical methods.
- 2) Students will be understood the techniques of applications of statistical methods.
- 3) Student will understand The Index Number and Time Series.
- 4) Student will understand the measures of Central Tendency, Variations and Hypothesis Testing.

DEPARTMENT OF MILITARY SCIENCE

B.A. I Paper I.& III. War and Warfare

1. Student will get the information about various historical wars and strategy.
2. Student will get the information about the various Indian War Strategies.
3. Student will become acquainted with the military war functioning.

B.A. I II.& IV Defense organization in India

1. Student will understand the structure and nature of the Indian Defense Organizations.
2. Student will be familiarized with the structure and working procedure of various Intelligence Institutions.
3. Student will get the information about Military and Paramilitary Forces.

B.A. I V. Practical -1

1. Student will have the knowledge about the environmental issues.
2. Student will get information regarding the natural and manmade calamities and its management.
3. Student will take initiatives through various extension activities.

B.A. II Paper VI & VIII India's Internal Security.

1. Student will come across various security issues and develop their critical thinking.
2. Student will know the challenges, weaknesses and threats in front of Indian Security System.
3. Student will be aware about the external attacks on Internal Security.

1. Student will know the Geo Strategic Locations of India and its significance.
2. Student will be acquainted about the Indian border issues with neighbours.
3. Student will get information about the military strategies of India with neighbouring Countries.
4. Student will develop analytical and critical thinking about the Military Strategy and Border issues.

B.A. III Paper XV & XVI Geo Politics and Military Geography.

1. Student will understand India's Geo Political Location and its importance.
2. Student will get knowledge about Geo Strategic Issues of India.
3. Student will know the availability of Indian Natural Resources and their Importance.
4. Student will get aware about the Indian Military Geography.

B.A. III XVII. Practical -3

1. Student will develop the skill of Map Reading.
2. Student will get information about military area and Military Castel through excursion.
3. Student will do a case study of Armed Forces and develop their skills.

B.A. III XVIII Project.

1. Students study at their own by selecting topic related to Internal and External Security Issues.
2. Student will be able to understand the basic concepts of Research Methodology.
3. The awareness will be created among the students about the latest and scientific techniques of research.
4. Student will be able to write a project report in scientific manner.

DEPARTMENT OF DRAMATICS

B.A. I- Dramatics: Paper No. I**Title of the Paper: Theory- I**

1. Students personality will be developed.
2. Students will be well acquainted with the Indian culture and tradition.

B.A. I- Dramatics: Paper No. II**Title of the Paper: Theory- II**

1. Student will know about Indian Drama Skill.
2. Student will be well acquainted with the importance of sequence in story- telling and with the drama plots.
3. Student will get information about global Theatre.

B.A. I- Dramatics: Paper No. III**Title of the Paper: Practical- III**

1. Student's personality will be developed. 2. Student Known about Theatre.
3. Extend and deepen their levels of concentration.
4. Listening skills to student will be developed and he will be able to use the skill in Drama work.

5. Student will participated in theatre activities confidently. 6. Carry out simple “warm up” activities.

B.A.II. Dramatics: Paper No. IV & V

Theory Paper IV & V

1. Developed historical knowledge of various theaters
2. Student will be well acquainted with the concepts of physical gestures, body language and communication skill.
3. Student will be aware about in all back stage techniques.
4. Student will be aware about voice culture and communication skills.
5. Student will get information about all dramatic forms i.e. Tragedy, Comedy, Melo Drama and Farce.

B.A.II. Dramatics: Paper No. VI

Title of the Paper: Practical- VI

1. Student will be understood and will be able to perform various roles.
2. Student will be sharpened in the use of back stage techniques. i.e. Make up, Set Design, Music, Costume etc.
3. Student will develop their direction skills.

B.A.III Dramatics: Paper No. VII (Subsidiary)

Title of the Paper: Theory Paper No.VII

1. Student will be able to select plays according to audience.
2. Student will be able to distribute roles as per the personalities.
3. Students will know about various theatrical trends. (Example. Amature art, Professional, Experimental.)
4. Student will know about history of global theatre.
5. Student will be well acquainted with various styles of acting and direction.

B.A.III Dramatics: Paper No.VIII (Main)

Title of the Paper: Theory Paper No.VIII

1. Student will be well acquainted with the various Indian folk arts.
2. Student will get the deep knowledge about Sanskrit Theatre.
3. Students will understand the basic element of theatre.

B.A.III Dramatics: Paper No. IX (Subsidiary)

Title of the Paper: Theory Paper No.IX

1. Student will be well acquainted with the various types of Marathi Drama.
2. Student will get the theoretical knowledge about Theatre Management.
3. Students will understand the basic element of theatre.

B.A.III Dramatics: Paper No. X (Main)

Title of the Paper: Theory Paper No.X

1. Student will get the information about the devotional work of Great Theatre Personalities.
2. Student will get the theoretical knowledge about Dalit and Rural Theatre.
3. Students will understand the social utilization of drama.

B.A.III Dramatics: Paper No. XI (Subsidiary) Practical Paper-XI

1. Student will get knowledge about various acting styles.
2. Student will understand the production procedure.
3. Student will well be acquainted with the various styles of Direction and Production.
4. Student will get the information about the management skill of play performance.
5. Student developed their soft skills regarding stage performance and management.

B.A.III Dramatics: Paper No. XII (Main) Practical Paper-XII

1. Student will be able to perform various roles.
2. Students developed their management skills regarding stage performance and various events.
3. Student will well be well acquainted with the various styles of Direction and Production.
4. Student will be able to write a script from story according to performance.
5. Student will be developed their confidence.
6. Versatile personality will be developed of the students.
7. Students will be able to earn and stand on their own feet by performing the drama skills.

DEPARTMENT OF SOCIOLOGY

BA I BAS 01, Introduction to Sociology.

1. Student will know the Basic Concepts of Sociology.
2. Student will know the significance of the study of the sociology.
3. Student will be aware about the content and scope of the subject.
