REPORT OF SLOW AND ADVANCE LEARNERS

Slow Learner

➤ **The Concept:-**

The students who are unable to understand the basic terminology of a subject taught under UG/PG program. A slow learner is a student of below average intelligence. This student will go through the same basic concepts and teaching-learning process as other students, but will understand and develop at a significantly slower rate.

➤ **Procedure of Identification: -**

The Slow Learners are identified and selected on the basis of their performance in the previous University Examination, Class Tests and various activities organized at the class level.

➤ **Objectives:-**

- 1) To enhance or boost the confidence of the students
- 2) To design appropriate teaching plans to facilitate student's effective learning
- 3) To help them to develop positive attitude.
- 4) To develop their potential to reduce the obstacles in learning
- 5) To enhance their learning abilities and academic standards.
- 6) To encourage and help them to coup up with the present age.
- 7) To provide good learning facilities to enhance their comprehension.
- 8) To develop their varied abilities and skills by solving their problems.
- 9) To provide them a systematic training program to develop their skills
- 10) To provide them the opportunities to prove their abilities and creativity

➤ **Outcomes:-**

- 1) The confidence of the students will be improved.
- 2) They will overcome the obstacles in learning
- 3) Their learning abilities and academic standard of the students will be improved
- 4) They will be able to coup up with the present scenario.
- 5) The level of comprehension will be developed.
- 6) They will be skilled enough to solve the problems on their own.
- 7) They will be well trained to perform and implement their knowledge.
- 8) The creativity of the students will be developed.

Advanced Learners

➤ **The Concept:-**

The students who perform at an advanced academic level when compared with others of same class are the Advanced Learners. They show the potential for performing at an advanced academic level.

➤ **Procedure of Identification:-**

The Advanced Learners are identified and selected on the basis of their performance in the previous University Examination, Class Tests and various activities organized at the class level.

➤ **Objectives:-**

- To enhance critical thinking of the students
- To design appropriate teaching plans to facilitate students" with more effective learning
- To help them to develop their reasoning abilities
- To develop their potential
- To enhance their learning abilities and academic standards
- To provide good learning facilities to enhance their abilities
- To provide them training programs to develop their skills and abilities
- To provide them the opportunities to prove their abilities and creativity

➤ **Outcomes: -**

- The critical thinking of the students will be improved.
- The reasoning abilities and academic standard of the students will be improved,
- They will be able to cope up with the present scenario.
- They will be skilled enough to solve the problems on their own.
- They will be well trained to perform and implement their knowledge.
- The creativity of the students will be developed.

➤ **Mechanism to find out the slow and advance learners students:-**

In this academic year 2021-22, it has been found that, by taking a general knowledge economics test of all the student that including BAFY, BASY and BATY.

The departments of Economics find out the slow and advance learners student by conducting general knowledge economics test of 20 marks.

The college has formed the Students Upgradation Committee, Result analysis committee and Remedial Committee for the students to analyze the data and the information about the academic performance of students from different sources like last year's result, assignments, projects and class tests as the part of assessment of his performance. Slow learners and advanced learners are identified through the same process and counseled and provided extra help in every possible aspect. Departments through a combination of academic and co-curricular activities, encourage Slow and Advanced learners to optimize their potential.

SLOW LEARNERS :

- 1) Slow learners are encouraged by conducting Remedial Courses by the department to enable them to cope up with the programme.
- 2) The Concerned teachers conducted unit tests and organized counseling to solve their difficulties.
- 3) The faculty members recommended simplified reference books and journals as per their needs from the departmental libraries.
- 4) The department organized guidance lectures for slow learners to overcome their weakness and enhance their confidence.
- 5) Contact sessions were organized to upgrade the slow learners from the Post Graduate programmes.
- 6) Revision lectures were conducted on specific topics as per the necessity. Orientation programmes were organized for slow learners.
- 7) The faculty member conducted class tests to assess their progress and provided model answer paper for their proper understanding.
- 8) Faculty member suggested advanced learners to discuss the taught topic along with slow learners frequently.
- 9) Slow learners were given some techniques and tricks to improve their comprehension
- 10) Slow learners were provided subject related simplified notes.
- 11) Slow learners were asked to write repeatedly on the taught topic.
- 12) They were provided last year's question papers and asked to solve and those were assessed by the concern faculty.
- 13) Faculty members did personal counseling of the slow learner to eradicate his inferior complex.
- 14) Open Book Exams were organized for the slow learners.
- 15) They were provided some web links and you tube videos to get motivated.
- 16) Group discussions and seminars of advanced learners were organized in the class for the motivation of slow learners.
- 17) Loud reading of the topics was organized to increase the perception and pronunciation of the Slow Learners.
- 18) Question Answer method was used in the class to understand the various concept clearly

ADVANCED LEARNERS :

- 1) Advanced learners were recommended and provided reference books, journals and Web sources as per their needs from departmental and college libraries.
- 2) The department arranged expert guidance lectures to harness their potential
- 3) Provided opportunities to represent the college in various events and activities in intercollegiate and university level.
- 4) These students were motivated to attend the seminars, conferences and workshops and to write and present the papers for the same.
- 5) They were motivated to do the peer learning to boost their interaction, leadership, academic qualities and confidence.
- 6) They were provided certain books, articles and essays for review and discussion.
- 7) Specific discussions were organized and advanced learners were motivated to air their views.
- 8) Extra lectures were organized to prepare advanced learners for competitive exams.
- 9) Advanced learners were given more opportunities at class level as well as college level. Reading facilities and Career guidance facilities are made available for the advanced learners.
