**6.5.2 The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities**

At the beginning of the academic year, all the teachers and the heads of the departments prepare the planning for the coming semester and for the whole year. It consists of a detailed calendar of annual teaching planning, planning of various curricular and extra-curricular activities, annual planning of the department, as well as academic planning throughout the year at the college level, planning of activities and development work. At the beginning of the year, while doing all this planning, program outcomes, course outcomes and cross-cutting issues are observed and finalized by doing some additions and deletion. Daily teaching and learning activities are carried out keeping in view the college level planning and department wise planning of teaching and learning. Daily teaching periods and various educational activities monitored by the principals with the cooperation and participation of their subordinate administrative officers. The Vice-Principal, P.G. Director, IQAC Coordinator assists the principals in this. Performance is reviewed at monthly meetings of teachers and staff. It is reported in the periodical meeting of IQAC and CDC. Semester wise feedback from students is taken and analyzed. Suggestions or responses are communicated to all concerned teachers and staff. Also, in each semester, a joint meeting of the students is held in the presence of the representatives of the executive board and feedback is taken on the teaching and learning, various activities and overall educational facilities and procedures. Observations, monitoring, feedback from the principal and vice-principal are taken into account in the assessment of teaching learning process and educational activities and at the time of assessment of PBAS and in writing of CR.

As example, as a post accreditation measures, IQAC conducted State Level E-Content Development Workshop during 24<sup>th</sup> to 26<sup>th</sup> August 2019, One day workshop on 2<sup>nd</sup> July 2020, Training program on 5<sup>th</sup> December 2020 and on 3<sup>rd</sup> March 2021 to provide guidance to teachers with a view to increasing the use of ICT in the teaching and learning process. Use of PPT in daily teaching, making educational videos make available to students for study. Uses of online teaching application for daily teaching periods, use of ICT in assessment process etc. skills focused in these workshops and training programs. Attempts were made to impart related skills in the teacher community. It was later used extensively for online teaching in the lockdown of COVID-19. Being aware of the skills enabled the teacher to teach the study and maintain its impact and effectiveness in the pandemic situation.

The IQAC initiative encouraged teachers to use ICT in the assessment process also. Guidance was given on that in the workshop and in the training organized at college level. Therefore, in the academic year 2020-21, all the departments successfully conducted Unit Tests, practice examinations of their subjects online at the college level. Also online quizzes, General Knowledge Competitions, Essay Competitions were conducted for the students. Due to this effort to take various activities online, many activities could be done online at the college level. The various departments of the college have successfully organized many national and state level workshops, seminars, conferences online. Department of Drama and English on 8<sup>th</sup> June 2020 on Metamorphosis and role of virtual audience, Department of Political Science and Defense on 4<sup>th</sup> September 2020 on Indo-China relations, Department of Drama, Political Science, English organized the seminar on New Education Policy, Political Science and Gandhi Study Center jointly organized online seminar on 17<sup>th</sup> September 2020 on the 'Hyderabad Freedom Struggle and Its Relevance today.'. The Library Department conducted a workshop at the national level on 19<sup>th</sup> September, 2020.
